PRESIDENT'S MESSAGE

by Bob Sandbo

Writing a "message" for January in the middle of December is a bit of a problem, but not as hard as writing the day before Christmas would be. I was close to the temporary Family History Center today and had time to stop for news. The room was locked and no sign on the door so might as well forgo having lunch at home alone to see if they have moved in at NE 20th Street. There were cars in the parking lot, the door was open and they are in business again! Art Lien was working his usual Tuesday shift and said they

had been there about two weeks. The computer was being used and tables and viewers have been rearranged a bit. Otherwise the room is familiar and much more spacious than the temporary FHC. This will not be news for regular users of FHC but will encourage the rest of us to make more use of this valuable facility. LDS and volunteers we appreciate you!

We hope everyone enjoys the Holidays and 1991 will be a good year in every way.

Bob and Pat Sandbo
