About our speaker: Sara is a full-time professional genealogist with thirty years of research experience. Her research has taken her to nearly every state in the USA and Ireland. She especially enjoys breaking down brick walls, discovering the stories of black sheep ancestors, and helping individuals preserve their photographic legacy. You can find her online at TheSkeletonWhisperer.com.

About our program: The loss of the 1890 Federal census is a source of great frustration for American Genealogists, but all hope is not lost! Learn strategies and gather tips for success in locating your family in other records between the 1880 and 1900 Federal censuses.

Everyone is welcome---we hope you will join us.
